## **I-35 pavement marking project covers Coffey, Osage and Franklin counties**

The Kansas Department of Transportation (KDOT) has started a pavement marking project on I-35. The work begins at the I-35/U.S. 75 junction and continues northeast to Eisenhower Road at Ottawa.

The existing pavement markings are being removed and replaced. North- and southbound I-35 traffic will be restricted to one lane with a reduced speed limit at the work zone. Weather permitting, the project should be finished by late July.

KDOT awarded the construction contract of \$950,000 to Traffic Control Company of St. Louis, Mo. Persons with questions may contact Troy Howard at the KDOT office in Garnett, (785) 448-5446, or Priscilla Petersen at the Chanute KDOT office, (620) 902-6433.
