U.S. 69 southbound lane closure next week for pavement marking project

The week of May 21 the Kansas Department of Transportation (KDOT) plans to start a pavement marking project on a section of U.S. 69 in Miami County. The contractor will replace the white edge line on the southbound lanes of U.S. 69, beginning 1.3 miles south of 395th Street and continuing north to end approximately ½ mile south of the K-68 junction.

Southbound U.S. 69 traffic will be reduced to one lane during the road work, which is expected to be finished in three days.

KDOT awarded the construction contract of \$260,000 to Twin Traffic Marking Corporation of Kansas City, Mo. Persons with questions may contact Troy Howard at the KDOT office in Garnett, (785) 448-5446, or Priscilla Petersen at the Chanute KDOT office, (620) 902-6433.
