Kids know how important it is to “Put the Brakes on Fatalities”

Hadley Holmes, 5, and Brooklyn Green-Lawson, 9, of Riverton are southeast regional winners in the 2018 Put the Brakes on Fatalities Day poster contest.

Each student will receive a bicycle from the Kansas Turnpike Authority and a helmet donated by Safe Kids Kansas during presentations at their school. The prizes will be presented by the Kansas Department of Transportation at a 2 p.m. assembly on Wednesday, Oct. 24, at Riverton Elementary School.

A total of 836 kids across Kansas ages 5 to 13 took the time to think about safety and participated in the contest. Put the Brakes on Fatalities Day is a nationwide effort to increase roadway safety and reduce all traffic fatalities.
