## Traffic reduced to one lane on K-66 bridge

The Kansas Department of Transportation (KDOT) is continuing to restrict eastbound traffic to one lane across the Spring River Bridge at Riverton. An expansion device on the lanes failed earlier this year. The outside eastbound driving lane on the bridge remains closed until repairs can be made. The speed limit is 35 miles an hour.

Persons with questions may contact Bob Gudgen, construction engineer at the Kansas Department of Transportation (KDOT) office in Pittsburg, (620) 308-7622, or Priscilla Petersen at the Chanute KDOT office, (620) 902-6433.
