## **U.S.169 shoulder repairs in Montgomery County**

Maintenance workers with the Kansas Department of Transportation (KDOT) Independence office have begun repairing the aggregate shoulders on U.S. 169 in Montgomery County. The shoulder work starts at the south junction of U.S.169/U.S. 160 and continues south to the four-lane section at the Coffeyville Industrial Park.

A pilot car is guiding one-lane traffic through the work zone. Motorists can expect delays of 10 minutes or less on weekdays between the hours of 9:00 a.m. and 3:00 p.m. The road work is expected to be completed the week of March 18-22, weather permitting.

Independence KDOT Superintendent Marcus Leck reminds motorists to obey the signs and flaggers, slow down and "Give 'Em a Brake!" Persons with questions concerning the project may contact Leck at (620) 331-3760 or Priscilla Petersen at 1-877-550-5368.
