379th Street and Edgerton Road to temporarily close off U.S.169

Tuesday, Oct. 15, the Kansas Department of Transportation (KDOT) plans to temporarily close access to 379th Street west of U.S.169. 379th goes to and from the Lane community. KDOT will replace a crossroad pipe on 379th and plans to reopen the road on Wednesday, Oct. 16. Message boards along U.S.169 will alert the traveling public to the closure.

Monday, Oct. 21, KDOT plans to close Edgerton Road south of U.S.169 for reconstruction. Edgerton Road is expected to reopen by Thursday, Oct. 24. Drivers should seek alternate routes during both road closures.

The temporary side road closures are taking place as part of the U.S.169 roadway rehabilitation project in Franklin and Miami Counties. KDOT awarded the U.S.169 construction contract of approximately \$11 million to APAC-Kansas Inc. - Reno Division. Those with questions concerning the road work may contact KDOT Garnett Area Construction Engineer David Baldrige at (785) 448-5446, or KDOT Southeast District Public Affairs Manager Priscilla Petersen, 1-877-550-5368.
