Crescent Hill Road to temporarily close south of U.S.169

Monday, Aug. 5, the Kansas Department of Transportation (KDOT) plans to temporarily close Crescent Hill Road south of U.S.169 for reconstruction. Crescent Hill Road is the first side road west of K-7. In addition, KDOT will close the west end of 371st Street where it intersects with Crescent Hill Road. There is no detour; traffic should use alternate routes.

The temporary side road closures are taking place as part of the U.S.169 roadway rehabilitation project in Miami County. The project contractor will elevate and widen the driving surface and ditches. Crescent Hill Road is expected to reopen to traffic in less than one month, weather permitting.

KDOT awarded the U.S.169 construction contract of approximately \$11 million to APAC-Kansas Inc. - Reno Division. Those with questions concerning the road work may contact KDOT Garnett Area Construction Engineer David Baldrige at (785) 448-5446, or KDOT Southeast District Public Affairs Manager Priscilla Petersen, 1-877-550-5368.
